Testimonials

What our exhibit partners are saying about Art Saint Louis:

“We’re proud to partner with Art Saint Louis in showcasing the best of local art at the Laurel. The exhibit in our lobby is a striking welcome to residents and visitors alike, a first impression that promises a distinctive downtown experience.”

**Amos Harris, Principal
Spinnaker St. Louis**

“Art Saint Louis is a very welcome partner of the St. Louis RCGA. During my nine years at the RCGA, I’ve looked forward to the quarterly visits from Art Saint Louis as they change the artwork in our office. The entire nature of our lobby changes dramatically every three months as we are able to enjoy the truly spectacular work being done by local St. Louis artists.”

**Jim Alexander, Vice President for Business Recruitment
St. Louis Regional Chamber & Growth Association (RCGA)**

“Art Saint Louis has been managing our *Art @ Des Peres Hospital* exhibit since October 2012. This is a wonderful program that brings original art by artists from the greater St. Louis area to the walls of Des Peres Hospital. Our employees, patients and visitors enjoy discovering each new exhibit.”

**John Grah, CEO
